Mobile Enrollment

You must have an active online banking account access ID and passcode.

Log in to your online banking account.

- Click on the "User Services" tab.
- Click on the "Mobile Enrollment" link.
- Click on the "Add Phone" link.

Click on the Mobile Carrier drop-down list and select your carrier.

Enter your phone number.

- Click to select "I accept the Terms and Condition of Use."
- Click on the "Enroll" button.

Screen is updated with message "Your phone is enrolled."

- The activation process determines if your phone is compatible with "Text Banking" and "Mobile Banking."
- Click the "Continue" button.

Your activation code will be displayed on the screen. Follow the instructions below to activate Text Banking, Mobile Web Banking and Mobile App.

Text Banking Activation

Once you have completed the enrollment process successfully, you will receive a text message from **96865** requesting your activation code.

Reply to the message with your activation code.

Once you receive a "**Successful Activation**" message, you are ready to start text banking!

You can find a list of "text banking" commands by texting the command "C" to 96865.

Mobile Web Activation

You should get one more Text Message to enroll in Mobile Web. **Click on the link provided in the message.**

You will see the Border State Bank Mobile Banking access screen.

- Click on "Sign In."
- You will see "To activate Mobile Banking on your phone browser, you will need a one-time activation code."
- Click "I Have One."

Enter your activation code and 10 digit mobile phone number. Click "Activate." You will receive a message that your browser has been successfully activated.

You can now log-in using your Online Banking Access ID and Passcode.
